

ADDITIONAL RULES SPECIFIC TO FOREST FARM, MANNINGS HEATH

Horses, riders and their dogs, etc have priority over anglers.
Anglers must give way at all times.

(NR-HORSHAM)

Fishing is dawn until dusk – No night fishing

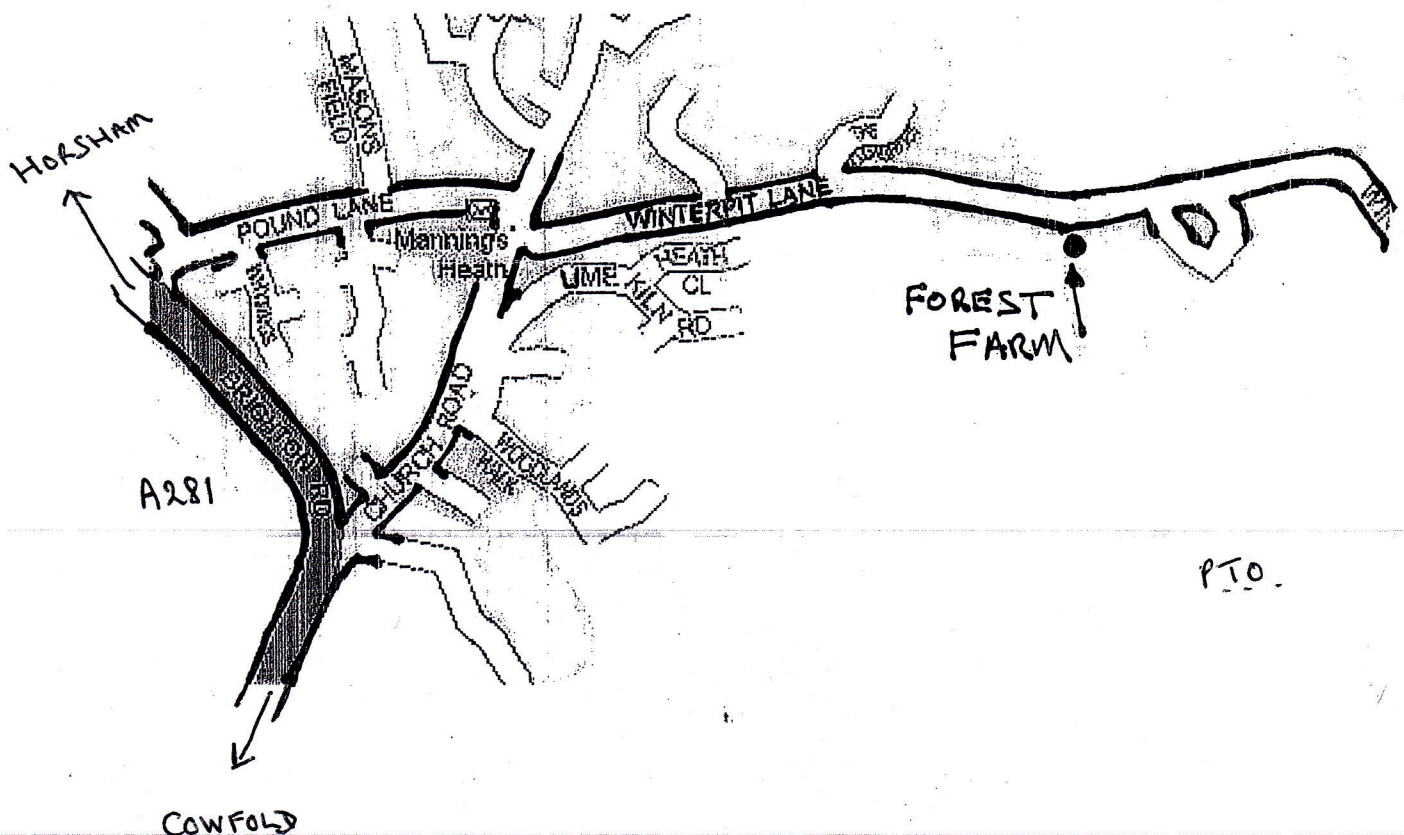

Parking will be outside of the main gate. To allow lorries access to the farm 1 space to the west of the gate a 2 spaces to the east of the gate should be left clear. See map for detail. On overspill area is available 200 yards east on the grass verge. Access to the lake from the road is by public footpath. See map. In dry weather only additional parking will be available in the field above the lake. The grass in the field must not be cut up by vehicles. If in doubt do not park here. Access to this area is through the main gate using club combination padlock and by following route marked on map.

All gates to be left as you find them. The gate nearest the road has a white electrical tape which can be removed using the plastic handle and hooked on to opposite fence.

Beware of electric fences and gates at all times, especially around the lake.

No trees or branches to be cut or broken.

Location Map – see reverse for detailed access map
